Other than black and white TV, the baby boomer boys growing up in the little oak hammock east of South Floridas everglades dont have much to entertain them. Rock and roll is king but exists only on an AM radio station and a stack of black vinyl disks. So how does a brotherhood of youngsters come of age while manufacturing adventure from an otherwise uneventful existence in the early 60s How do they spend their summers when girls are still mysterious, undiscovered creatures and the bicycle is the only mode of transportation And how do they face lifes unanswered questions while anticipating their once-in-a-lifetime trip to the New York Worlds Fair Tales from the Oak Hammock chronicles the amusing answers to these questions as it recounts the misadventuresand misdemeanors of boys who sometimes catch a glimpse of lifes meaningbut more often merely observe its puzzling complexities. They are the first generation raised by TV so they surely dont have all the answersbut this one thing they know: Life isnt always fair, but its almost always in black and white!
