JEWISH LIFE AND AMERICAN CULTURE (PAPERBACK)

[DOWNLOAD](#)

State University of New York Press, United States, 2000. Paperback. Condition: New. New.. Language: English . Brand New Book ***** Print on Demand *****.Jews in the United States are uniquely American in their connections to Jewish religion and ethnicity. Sylvia Barack Fishman in her groundbreaking book, *Jewish Life and American Culture*, shows that contemporary Jews have created a hybrid new form of Judaism, merging American values and behaviors with those from historical Jewish traditions. Fishman introduces a new concept called coalescence, an adaptation technique through which Jews merge American and Jewish elements. Analyzing the increasingly permeable boundaries in the ethnic identity construction of Jewish and non-Jewish Americans, she suggests that during the process of coalescence, Jews combine the texts of American and Jewish cultures, losing track of their dissonance and perceiving them as a unified Jewish whole. The author generates data from diverse sources in the social sciences and humanities, including the 1990 National Jewish Population Survey and other statistical studies, interviews and focus groups, popular and material culture, literature and film, to demonstrate the pervasiveness of coalescence. The book pays special attention to gender issues and the relationship of women to their Jewish and American identities. A blend of lively narrative and scholarly detail, this book includes useful tables, accessible figures and models, and fascinating illustrations which present the educational, occupational, and behavioral patterns of American Jews, organizational profiles, family formation, religious observance, and the impact of Jewish education.
