Reviews

This is basically the finest publication i actually have go through till now. We have read and i also am confident that i am going to likely to read through again once more in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Prof. Adell Lubowitz)

THINGS COME ON: AN AMNEOIR.

[DOWNLOAD](#)

Wesleyan University Press, Middletown, 2011. Hardcover. Condition: New. Wesleyan Poetry Series.. 108 pages. Hardcover with dustjacket. New book. POETRY. National and family disasters converge in this radically new kind of memoir. Things Come On is a broken and sutured hybrid of forms, combining poetry, prose narration, primary documents, dramatic dialogue, and pictures. The narrative is woven around the almost exact concurrence of the Watergate scandal and the dates of the poet's mother's illness and death from breast cancer, and weaves together private and public tragedies Ñ showing how the language of illness and of political cover-up powerfully resonate with one another. The resulting "amneoir" (a blend of "memoir" and "amnesia") explores a time for which the author must rely largely on testimony and documentary evidence Ñ not unlike the Congress and the nation did during the same period. Absences, amnesia, and silences count for at least as much as words. As the double tragedy unfolds, it refuses to become part of an overarching system, metaphor, or metanarrative, but rather raises questions of memory and evidence, gender and genre, personal and political, and expert vs. lay language. This haunting experimental biography challenges our assumptions about the distance between individual experience and history. "It is seldom that a book reviewer comes upon a book so genuinely different from any other as this 'amneoir.' That it should also be so very accomplished, so successful in the original row it has chosen to hoe, is an enormous achievement for Mr. Harrington, who deserves high praise for the very difficult task he set for himself and then so movingly bringing it to fruition."ÑMartin Rubin, The Washington Times "Éthe emotional tragedy of his mothers' death born out through Harrington's subtle mix of genres and language will connect with all readers."ÑSam Murphy, Stride magazine "Joseph Harrington's arresting...
