Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Focus, Vol. 3: December, 1913 Let us follow the sunbeam and see the place m which Micky, the philosopher, the terror of Small s Alley, and captain of Rick s Alley gang, planned his campaigns and dreamed his dreams. I said Micky sat in his study not that he knew he possessed a study in what he designated as the top attic, - but a study it was at this particular time. As for the room itself it put our modern invention to shame in its many-sided usefulness. We all know the peddler that comes regularly with his wonderful money saving device - potato parer, apple corer, nutmeg grater, and other things too numerous to mention, and all in one, and only fifty cents for this wonder, madam. We all know the marvelous knife that belongs to the boy across the way with its button hook, screw driver, cork remover, and what not, all included.
