Reviews

Complete guide! Its such a good go through. It is rally fascinating throgh reading period of time. Its been written in an extremely basic way and is particularly only after i finished reading through this publication through which really changed me, change the way i really believe.
(Mrs. Macy Stehr)

AMATEUR RADIO

[DOWNLOAD](#)

Alphascript Publishing Nov 2009, 2009. Taschenbuch. Condition: Neu. Neuware - Amateur radio, often called ham radio, is both a hobby and a service in which participants, called 'hams,' use various types of radio communications equipment to communicate with other radio amateurs for public service, recreation and self-training. Amateur radio operators enjoy personal (and often worldwide) wireless communications with each other and are able to support their communities with emergency and disaster communications if necessary, while increasing their personal knowledge of electronics and radio theory. An estimated six million people throughout the world are regularly involved with amateur radio. The term 'amateur' reflects the principle that Amateur Radio and its skilled operators are committed to helping communities without financial compensation; whereas Commercial Radio operates purely for profit. 92 pp. Englisch.
