

A Handbook of Library Appliances, Vol. 1: The Technical Equipment of Libraries Fittings, Furniture, Charging Systems, Forms, Recipes, C (Classic Reprint)

Filesize: 7.2 MB

Reviews

A very amazing publication with perfect and lucid information. We have read through and that i am certain that i will planning to study once more yet again in the future. You will not really feel monotony at anytime of the time (that's what catalogues are for about should you question me).

(Matilda Hoeger V)

A HANDBOOK OF LIBRARY APPLIANCES, VOL. 1: THE TECHNICAL EQUIPMENT OF LIBRARIES FITTINGS, FURNITURE, CHARGING SYSTEMS, FORMS, RECIPES, C (CLASSIC REPRINT)

Forgotten Books. Paperback. Condition: New. This item is printed on demand. 74 pages. Dimensions: 9.0in. x 6.0in. x 0.1in. Excerpt from A Handbook of Library Appliances, Vol. 1: The Technical Equipment of Libraries; Fittings, Furniture, Charging Systems, Forms, Recipes, and C The Council of the Library Association have arranged for the issue of a series of Handbooks on the various departments of Library work and management. Each Handbook has been entrusted to an acknowledged expert in the subject with which he will deal - and will contain the fullest and latest information that can be obtained. Every branch of library work and method will be dealt with in detail, and the series will include a digest of Public Library Law and an account of the origin and growth of the Public Library Movement in the United Kingdom. The comprehensive thoroughness of the one now issued is, the Editors feel, an earnest of the quality of the whole series. To mere amateurs, it may appear that it deals at needless length with matters that are perfectly familiar; but it is just this kind of thing that is really wanted by the people for whom Mr. Brown's Handbook is intended. It seems a simple matter to order a gross of chairs for a library; but only experience teaches those little points about their construction which make so much difference as regards economy and comfort. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work.
