

Auld Enemies: The Scots and the English (Paperback)

Filesize: 7.57 MB

Reviews

A top quality ebook as well as the typeface used was interesting to see. It usually fails to charge an excessive amount of. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Birlinn General, United Kingdom, 2013. Paperback. Condition: New. Language: English . Brand New Book. For almost a thousand years, Scotland and England have been neighbour nations. For more than half that time, they were foreign countries, often at war. Four hundred years ago, they began to share a monarchy; three hundred years ago, they joined in a United Kingdom. A new concept of Britishness arose, but for most purposes Scots remained Scots and English remained English, and the old sense of rivalry remained. In olden times, a war of words and propaganda accompanied the fighting. As the countries got to know each other better and the fighting died down, the verbal exchanges continued, and became sharper, more wide-ranging, and funnier. This book provides a unique record of the long contest of verbal warfare across the Border, from its beginnings right up to the present day. Auld Enemies will be a useful handbook that can be enjoyed whichever side you re on.
