Reviews

*Without doubt, this is actually the best operate by any article writer. Indeed, it can be perform, nonetheless an interesting and amazing literature. Its been written in an exceedingly straightforward way in fact it is only soon after i finished reading through this book through which in fact changed me, modify the way in my opinion.

Createspace Independent Publishing Platform, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In Code Name Odette, we deal with codes and cyphers as well as the dangers of radical penetration agents in Western Intelligence Agencies. What came out in my research, in this book, is really fascinating. I further wanted to explain to readers in this book on what the difference between a code and a cypher is. I found that not many know the difference but I am sure after reading Code Name Odette, you will know. We also found out that almost all the decrypted World War Two Bletchley Park cyphers were useless as workable intelligence and never to very seldom used on a tactical level used by those needing it most, the troops on the ground fighting the enemy. And that makes it an almost useless effort as far as I am concerned. When you look beyond the romanticised versions of history you must conclude that everyone was reading everyone else s cyphers and did so habitually. More importantly, currently, it came out in the research that the damage done by former NSA contractor Edward Snowden to the ability of the West to crack Al-Qaeda and other Muslim terrorist cyphers cannot be described in words. They immediately upgraded all their cyphers after his revelations, we discuss the changes in the book. I have no doubts that his actions will and most probably already have murdered American servicemen. It is that simple but that brought us to the other point in Code Name Odette, the penetration of radicals into the Western Intelligence Services since there is an astonishing reluctance to vet new recruits thoroughly because they fear of being accused of Islamophobia. They don t ask and appoint men and women blindly...
