Accountability Office, 2010 OCLC Number: (OCoLC)566033305 Subject: Airplanes, Military -- United States -- Costs. Excerpt: . . . restructuring is complete and a new comprehensive procurement cost estimate is finalized (and expressed in constant-year dollars), we do not know whether unit cost increases will breach the critical or significant 14 cost growth threshold. Breaches of either cost growth threshold require reporting to the Congress, and a critical breach would also require DOD to justify the continued need for the JSF program to Congress. JSF cost increases and schedule delays increase the risk that the program Achieving Warfighter will not be able to meet warfighter requirements regarding capability and Requirements on Time Is quantities on time. Overall program performance in 2009 did not meet at Risk expectations and the schedule for completing key milestones and development activities continued to slip from prior years. Table 3 shows the extension in time from successive estimates for meeting key program milestones to ensure that the design and performance of the three JSF variants meet warfighter capability requirements and are...
