EMEREO PTY LTD. Paperback. Book Condition: New. Paperback. 86 pages. Dimensions: 9.0in. x 6.0in. x 0.2in. Insurance companies protect individuals and organizations from financial loss by assuming billions of dollars in risk each year's risks of car accident, property damage, illness, and other occurrences. Underwriters decide whether insurance is provided and, if so, under what terms. They identify and calculate the risk of loss from policyholders, establish who receives a policy, determine the appropriate premium, and write policies that cover this risk. An insurance company may lose business to competitors if risk underwriting is too conservative, or it may have to pay excessive claims if the underwriting actions are too liberal. This book gives you good solid advice and great strategies for getting interviews and landing the job as Insurance Underwriter. To Prepare for the Job this book tells you: - The training and education needed- Earnings- Expected job prospects- The jobs activities and responsibilities- Working conditions To Land the Job, it gives you the hands-on and how-tos insight on: - Finding Opportunities - the best places to find them- Writing Unbeatable Resumes and Cover Letters- Acing the Interview - What to Expect From Recruiters- How employers hunt for Job-hunters. . . . and More This book offers excellent, insightful advice for everyone from entry level to senior professionals. None of the other such career guides compare with this one. It stands out because it: 1. Explains how the people doing the hiring think, so that you can win them over on paper and then in your interview; 2. Is filled with useful cheat and work-sheets; 3. Explains every step of the job-hunting process - from little known ways for finding openings to getting ahead on the job. This book covers everything. Whether you are trying to get your first Job or move up in...
