Sarabande Books, Canada, 2009. Paperback. Condition: New. Language: English . Brand New Book. Yoon is a sparkling new writer to welcome and celebrate. --Don Lee These are splendid stories, at once lyrical and plain-spoken and full of unusual realities. Once the Shore is a kind of fantastic Korean gazetteer that tours us confidently through unpredictable incidents and often startling conversations--Paul Yoon s writing is erotic, haunting, original and worldly. --Howard Norman Spanning over half a century--from the years just before the Korean War to the present--the eight stories in this collection reveal an intricate and unforgettable portrait of a single island in the South Pacific. Novelistic in scope, daring in its varied environments, Once the Shore introduces a remarkable new voice in international fiction. Publishers Weekly starred review: Yoon s collection of eight richly textured stories explore the themes of family, lost love, silence, alienation and the effects...
