## THE COLONIAL FRONTIER NOVELS: 1-THE YOUNG TRAILERS THE FOREST RUNNERS

Leonaaur Ltd, United States, 2009. Paperback. Book Condition: New. 213 x 140 mm. Language: English Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Eight historical adventure novels in a special four volume collection During the eighteenth century the American frontier traversed the eastern woodlands, mountains and lakes of the continent. The flaming border was a hostile land populated by the tribes of the Shawnees, Wyandots, Delaware s and others-fierce warrior peoples determined to maintain their dominance to stem the encroachment of the early European pioneers. These settlers were a new people, determined to cut back the wilderness, to create communities and farm the fertile soil. Ever since the white man had set foot in the New World the dispute had raged in seemingly endless bloodshed. The French and their Indian allies had fought and lost their bid for the continent, but still the war between white and red raged. The border moved inexorably Westward and the land about the great Ohio and Mississippi Rivers was where the struggle would continue. Among the vanguard of the white men were intrepid backwoodsmen, scouts, trappers, hunters and those who-for adventure or vengeance-brought the fight to their Indian and renegade foes. Among these are this series principal characters, Henry Ware, Paul Cotter and their companions. These novels by Joseph Altsheler-sometimes referred to as The Young Trailers series-chronicle these extraordinary times as the background to the adventures of these remarkable young men. Altsheler was well regarded for high adventure set in American history and accurately encompassing actual personalities and real events. This Leonaaur collection is available in soft cover and hard cover with dust jacket. Altsheler s Civil War series and his French and Indian War series are also available from Leonaaur. This first volume contains the first two novels of the series, The Young Trailers...
