Excerpt from Disinfectants and Disinfection In addition to the bare results obtained by each worker, or the conclusions which he draws, a few words in regard to his methods, or the conditions under which his experiments were done, are given for some of the more important pieces of. Work. In the references to the literature consulted, the year of publication as well as the volume and page is given, because it is worth something to him who would look up the original paper to know Whether the work is, or is not, recent. As a general rule the more recent the work the more trustworthy the results. A logical arrangement of a work of this kind would be into disinfectants and the practical application of disinfecting agents to special purposes. As a convenience in reference, however, everything is brought under one alphabetical arrangement. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
