JAMES AND THE GREEDY, NAUGHTY SEAGULL

Strategic Book Publishing. Paperback. Condition: New. Lynne Pickering (illustrator). 40 pages. Dimensions: 8.5in. x 8.5in. x 0.1in. James is a little bear who happens to save a seagull that has some behavioral problems. One day James goes fishing with the seagull. James is disappointed by the birds display of greed, when she eats nearly all his catch. James replaces the fish by spending his pocket money to buy fish for the familys dinner. Even though the naughty seagull was greedy, the bear decides to give the bird a second chance. When the seagull is disciplined for her bad manners, James mother rewards him for his generosity and unselfishness. This heart-warming childrens story teaches the difference between greed and unselfishness, and is another in the James and the Naughty Seagull series. Lynne Pickering is an internationally renowned artist. She has sold over five thousand paintings in more than thirty countries. She worked as an international finance broker arranging funding for projects from high-rise offices to resorts, and lives with her family in Queensland, Australia. She writes thrillers as well as childrens books. We had a childcare centre and the children loved stories about bears. This story was written to enlighten children through story telling about animals, showing that bad behavior will win no friends, and it can be fun to be good.
