Word Alive Press, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The book is based on the idea that human beings have been invested by God with potential, personal agency and thinking powers and of such created for greatness and success. It carries the reader toward the discovery of the deep utility of thinking and its power to break out of old patterns, look beyond what is toward what can be, to move freely between the three dimensions of time, bridge the present to the future and rework the very environment of the mental world. About the Author: Clarence Duff received his undergraduate and graduate degrees in psychology and counselling from Liberty University. He received his master of science and PhD in educational psychology degrees from Capella University. In addition to his current position as lecturer in psychology, Dr. Duff is a researcher, public speaker, and published author of several books, including Unlocking the Mystery of Depression and Unveiling Daniel s Prophecies of End Time Events.
