**TABLER SUR LE PLAISIR : TACTIQUES ET STRATÉGIES DE COMMUNICATION****DOWNLOAD**

Quebec, PQ, Canada: Presses de l'Université du Québec, 2011. Couverture souple. Condition: Neuf. Dust Jacket Condition: Neuf. Le plaisir naît de notre interaction avec le monde, mais aussi de notre relation avec les autres. Il n'est pas quelque chose qui nous tombe dessus. C'est un bien-être qui se crée dans l'action et qui porte à l'action. Plaisirs fusionnels, audacieux, rebelles ou courtois : les auteurs exposent des tactiques et des stratégies de communication autour de ces quatre types de plaisir relationnel afin de donner un sens à nos manières d'interagir avec les autres. En pratique, cette approche permet d'identifier les plaisirs offerts par une situation donnée et d'explorer de nouvelles manières d'être en relation. Biographie de l'auteur Pierre Mongeau est professeur titulaire en communication sociale au Département de communication sociale et publique de la Faculté de communication de l'Université du Québec à Montréal. Jacques Tremblay est titulaire d'une maîtrise en psychologie avec option en développement organisationnel. Il intervient depuis 1978 comme formateur et consultant. Il est président de la firme Consultation et formation en gestion JacquesTremblay. ----- Détails sur le produit Broché: 98 pages Editeur : Presses de l'Université du Québec (26 janvier 2012) Collection : COMMUNICATION Langue : Français ISBN-10: 2760532364 ISBN-13: 978-2760532366.
