Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Glimpses of Our National Parks The eight national parks of the first order are the Mount Rainier National Park in Washington, the Crater Lake National Park in Oregon, the Yosemite and Sequoia National Parks 111 California, the Glacier National Park in Montana, the Yellowstone National Park, principally in Wyoming, and the Rocky Mountain and Mesa Verde National Parks in Colorado. With these must be classed the Grand Canyon of the Colorado in Arizona, which, though still remaining a national monument, is one of the great wonders of the world. The principal difference between a national monument and a national park is that the former has merely been made safe from encroachment by private interests and enterprise, while the latter is also in process of development by roads and trails and hotels, so as to become a convenient resort for the people to visit and enjoy.
