Brand New Book ***** Print on Demand *****.Real life applications for seeking God on mending the broken, wounded and troubled heart. Volume 1 of a set of books that will guide you into a deeper relationship with God. In so many ways my life had become broken. For years I just existed, accepting brokenness as God's best for me. It took God to show me it was His desire and His Will for me to be made whole. For things to be mended in my life, I first had to acknowledge it was broken. God gathered the pieces that mattered most, cemented them together, he added bridge pieces where needed and braces to support the weak areas. This is my testimony as to the healing and delivering power of God and the truths learned along the way. Everyone has some aspect of their life that needs to be healed. It is not us who does the healing, but the awesome power of God. Through us allowing him to transform our hearts and minds, he is able to do all that need to be done to restore every facet of our lives. You will find in the end, the pieces of your life that were once broken and tossed out to sea, have slowly washed ashore and have been seamlessly mended back together. *This book was inspired by a message preached by Bishop O. DeShae Cuthrell.
