Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Password And Address Book -We now live in a world where keeping track of electronic passwords for websites and email accounts and social media outlets is not simply a good idea, but a necessity. However, at times being able to remember each specific password for each website or email account can be rather difficult, especially if you use alphanumeric codes or other algorithms to generate passwords rather than simple words or phrases where cats birthday. It has become necessary to have more complicated passwords and while it is true the more complicated your password the more secure your information will be. It is also true that the more complicated your password the more difficult it will be to remember. This is where the forget me not password keeper comes in handy. This nifty little notebook is filled with 150 pages that are specifically designed to help keep all of your passwords and other personal information safe from prying eyes. These books are organized alphabetically similar to the way one of those old pocket address books was designed with specifically labeled slots for the password. The name of the corresponding website email account or other business information has its own separate slot which means all you have to do is put the appropriate information in the appropriate space and it will be safely and securely organized for easy access at any time. Password And Address Book is also discrete. It has a unique and artistically designed cover so that it will look like any other personal notebook or address book should be found on your desk or accidentally glimpsed in your purse. The forget me not password keeper will also...
