Great electronic book and valuable one. It really is simplistic but surprises within the fifty percent from the book. Its been printed in an extremely simple way in fact it is merely right after i finished reading this publication by which in fact modified me, change the way i really believe.

A FIRST BOOK IN OLD ENGLISH: GRAMMAR, READER, NOTES, AND VOCABULARY (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from A First Book in Old English: Grammar, Reader, Notes, and Vocabulary The selections have been made With reference to giving a fairly just, though necessarily incomplete, view of the surroundings, occupations, problems, ideals, and senti ments of our English ancestors. The earlier pieces of both prose and poetry are short; the longer ones that follow either have more sustained interest, or are sup ported by their reference to preceding ones; but they, too, fall into natural subdivisions, partially indicated in the printing, so that they may be read as successions of short extracts. It may be objected that Latin and Greek have been too freely used for illustration. The reply to such an objection is twofold: that the book is likely to fall into the hands of some Who possess at least an elemen tary acquaintance with one or both of these languages, and that to these the disclosure of the relations involved in a comparison With the ancient tongues Will materially increase their pleasure and their gain; and, secondly, that the book may be intelligently read, from cover to cover, Without the slightest knowledge of either Greek or Latin.
