Createspace, United States, 2014. Paperback. Book Condition: New. Student, Workbook. 279 x 216 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Please note: This student book is just that - a workbook that students can fill out as they study a variety of famous people from around the world and through the ages (people of interest to you and/or them). It does not include any answers. Note from the author: I developed this set of worksheets for my students to use in a Famous People Around the World class, where we were studying a different person each week. You may want to study the people in chronological or geographical order, or simply jump around the world and through the ages, as we did. (We started with Leonardo da Vinci, Benjamin Franklin, and Booker T. Washington, just because they happen to be three of my favorite people - and then we went from there!) There s also a Table of Contents that they can make as they go along or when they are done, so they know who s where in their notebook. For older students you can have them look up the answers, for younger students you might want to look them up together, and then write out the answers for them to do as copywork.
