Reviews

The publication is simple in go through preferable to fully grasp. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.My objective in writing this book was to tell you some things about Malcolm X and Martin L. King that wasn't revealed to you in the public schools. I'm not going to tell you what it's now in this brief introduction because that would take all the fun out of sharing with you the information. The FBI was indirectly and directly involved in the assassinations of both King X. Black people did participate in big and minor ways in both executions. The government feared that the efforts of both men were getting successful in uniting racial groups to join forces to help the masses of the people grow political, economically and culturally here in America. This pamphlet will prove to be a valuable addition to the theories on both X and King being taken physically from our presence but never spiritually. This pamphlet moves beyond the 1960s with updates on the progress and activities of King X's family members. Both King X were both ministers in Islam and Christianity but they were brilliant in having secular wings in their movements and were inclusive in their goals. That was a thorn in Uncle Sam's side who wants to divide and conquer and love groups who are intolerant and compartmentalized because they can control us better. The FBI and government will protect religious cults who are marginal and preach intolerance and separation from other ethnic groups because it's impotent in a democratic society that requires a rainbow of people to effect change. The government fears not charlatans who see spaceships coming down from the clouds to settle scores of injustice. However, Uncle Sam is apprehensive on political groups...
