Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Integrity Starts with I (The Answer to ALL the World s Problems) The book the liberal media, politicians and lobbyists inside the DC Beltway and all State Capitols do not want you to read. It exposes the crumbling foundation for the hypocrisy, dishonest agendas and the fake news that advances political correctness and situational ethics. It exposes the reason for creating an ever growing victim class that puts the country on the slippery slope of socialism. This book will show how a lack of integrity is the single most important factor that causes all the world s problems. It will show how it prevents governments, societies, and political parties as well as businesses and individuals from being functional. The book also shows how to recognize the absence of integrity before it infects any problem solving process. It will outline how to minimize the tendency of addressing only the symptom along with the process that must start with perfecting the definition of the actual problem. These steps are always necessary before there is any hope of actually solving any problem.
