David Slomovic, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This book will remove the fear and anxiety of senior living and care. Senior living is perhaps the most sensitive topic of all. To most, the feelings on this topic range from discomfort to fear to absolute paralysis at the very idea of this subject. When circumstances force you into this zone you are almost always alone, confused, conflicted, and feeling vulnerable and overwhelmed. No more. With this book you will now possess the ultimate guide to understanding exactly what the choices are, how to choose, why to choose, what to avoid, where the landmines are hidden, and (most importantly) how to make all the right moves. This is possible because for the first time an accomplished and experienced senior living owner/operator has written a tell-all for families to unlock the secrets to the mysterious world of independent and assisted living from the inside out. This cheat-sheet, now in large print, will give you the advantage in nearly every situation, and without it you will be at the mercy of others in more ways than you can imagine. Go behind the Gray Curtain to learn how to navigate these choppy waters. Chapters include The ABCs of Senior Living, Insider Touring Guide and Senior Living Secrets, The Critical Conversation No One Has, Secret Sauce, Dragon Seniors, and Smart Prepping For The Move. David Slomovic is a modern Renaissance man passionately focused on improving the future for all. For nearly 18 years, until his incredibly successful exit, he personally operated a family-owned 130 unit senior living Community in Orange County,...
