Dialogue Path Press, United States, 2009. Paperback. Condition: New. New.. Language: English . Brand New Book. In the provocative discussions comprising this collection, scholars Ronald A. Bosco and Joel Myerson and Buddhist leader Daisaku Ikeda explore the multifaceted, enduring legacy of Emerson, Thoreau, and Whitman. In the process they challenge and inspire the reader to do as these great figures once did to look deep inside oneself to discover potential for growth, to encounter the natural world with reverence and delight, and to express themselves with poetry and imagination. With great appreciation for the timeless and universal relevance of the American Renaissance, Bosco, Myerson, and Ikeda encourage each person to lead lives of greatness and to do nothing less than create Waldens of their own.
