But the only safeguard of peace is social justice and a contented people. The deep unrest so emphatically and so widely voiced throughout the world is the most serious menace to the future peace of every nation and of the entire world. Great problems face us. They cannot be put aside; they must be met and solved with justice to all. In the hope of stating the lines that will best guide us in their right solution the following pronouncement is issued by the Administrative Committee of the National Catholic War Council. Its practical applications are of course subject to discussion, but all its essential declarations are based upon the principles of charity and justice that have always been held and taught by the Catholic Church, while its practical proposals are merely an adaptation of those principles and that traditional teaching to the social and industrial conditions and needs of our own time.
