Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Of all the women he had ever known she was the most ethereal. Loving her was like swathing oneself with a long scarf of spirit. Harriet Hume, musical, mystical and whimsical, is the very essence of femininity- both princess and trollop. How Harriet slowly triumphs over Condorex is gradually revealed in this beautifully imagined fantasy. Wells in 1913, after her provocatively damning review of his novel Marriage prompted him to invite her to lunch. They fell in love, though Wells was married at the time, and their affair lasted ten years producing a son. In 1947 Time magazine called West, indisputably the world s number one woman writer and in 1954 Kenneth Tynan...
