Friendship Quadrant Inc, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Having a difficult time with your friendships? Hard to recognize the difference between your true friends vs your fake ones? Not sure how to avoid the toxic and dangerous friends? Wanting to find ways to enhance and strengthen current friendships? Then this is the book for you and your friends! You won't regret it. The Friendship Quadrant will be a tool you can use in all aspects of every relationship and it will be an effective resource your entire life. As a family therapist, this is the first book I have read that focuses solely on the power and importance of friendship. The Friendship Quadrant provides a comprehensive toolkit for all ages to navigate the peaks and valleys of interpersonal relationships. I would recommend the Friendship Quadrant to any individual looking to improve, strengthen, and nurture positive friendships as well as parents hoping to guide their children in this same process. Lori B. Morton, MS, LPC Friendship Quadrant (FQ) teaches how to choose friends wisely and how to be a good friend. It utilizes a creative quadrant model to help people of all ages, but especially young people, to understand how to manage expectations in relation to their friends. With this new understanding, the readers become empowered as they quickly realize that their friend issues are often not their fault. With this heightened awareness their self-image naturally improves. It is important, even vital, for people of all ages to have good friends. But as young people strive to find their way in life it becomes exponentially imperative for them to have good, reliable friends. Poor friend choices have had devastating effects on the lives of legions of young people who forfeited a bright...
