Xulon Press, United States, 2011. Paperback. Book Condition: New. 213 x 140 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The Five Master Patterns is a ground-breaking, revolutionary volume that slices through the mysteries of life and reveals for the first time the foundational designs of the universe. But most importantly, it shows us how we can lead rich and exciting lives by following those same patterns. Everyone wants to experience fulfillment, cultivate healthy relationships and enjoy the intangible, priceless treasures of meaningful living. Yet many end up with broken dreams, wounded hearts and treasures void of significance. Get ready to embark on a journey where you ll discover new perspectives on the world around you and within you. And as you begin to follow these blueprints for your life, you ll experience better health, stronger relationships and spiritual well-being. For more information on the Five Master Patterns, visit the website: Sutton is a missions advocate, Bible teacher and published author of devotionals. His graduate degree is in theology and his doctoral research was in religious philosophy. In addition, his personal studies have expanded into the fields of physics, philosophy and psychology. For over 30 years, Sutton has learned from people of all ages and from literally all around the world. He mentored students as a band director for seven years, all while serving as a pastor in a small country church in Arkansas. His people skills then took on a cross-cultural dimension, by ministering as a church planter in France for nine years and then as a supervisor for the work in Western Europe. His current ministry is with the International Mission Board, a global organization that employs 5,000 missionaries. His task is to evaluate prospective missionaries regarding their fitness for cross-cultural service, physically, mentally, emotionally...
