Sage Publications Ltd, United Kingdom, 2014. Paperback. Condition: New. Language: English . Brand New Book. This extraordinarily comprehensive book authored by the leading international authority in the field integrates research, theory and practice on the topic of school bullying. In an already research saturated field Peter Smith s writing captures the humanity of why this topic strikes such a chord in the community. He reminds us in a thoughtful, practical and caring manner why we must continue to advocate on all levels for those impacted by bullying. -Professor Phillip T. Slee, Flinders University, Australia Understanding School Bullying offers a refreshingly clear account of the wealth of insights gained over a quarter of a century of research. As Smith s comprehensive review convincingly shows, much has been learned and much of this has been put to good use in improving children s wellbeing. This is surely essential reading for any researcher concerned with bullying, childhood or life at school. -Sonia Livingstone, London School of Economics and Political Science, UK, author of Children, Risk and Safety Online Peter Smith s new book will occupy a prominent place on my bookshelf. It provides a thorough and highly readable discussion of the breadth of research on school bullying. Dr. Smith includes discussions of important challenges related to research on this topic along with an excellent review of important studies and findings. This unique volume has influenced my thinking about the direction of my own research. The book will be an invaluable resource for researchers, consumers of research, and others who seek a research-based understanding of this important topic. -Sheri Bauman, Ph.D., Professor at University of Arizona Bullying involves the repeated abuse of power in relationships. Bullying in schools can blight the lives of victims and damage the climate of the school. Over the last..
