From the very earliest times, successive civilizations have twisted, wrapped and looped rope, string and twine to create practical and decorative objects. Nowadays, the most familiar form of the medium are seaman's knots, but the availability and low cost of rope and string have led to a renewed interest in their more artistic applications. This book presents 25 varied and exciting practical projects for you to try at home. Specially commissioned step-by-step photographs take you through each idea in easy-to-follow stages, allowing you to create beautiful and functional objects as diverse as a string-wrapped picture frame, a garden tassel made out of twine, and a coiled string needlework basket. The book will help craftspeople everywhere to rediscover this traditional craft in an instructive and inspirational way.
