## GYPSY SWING HOT CLUB RHYTHM-MANDOLIN (PAPERBACK)

Mel Bay Publications, 2007. Paperback. Condition: New. Language: English . Brand New Book. Learn 12 great swing standards recorded by Django Reinhardt, Stephane Grappelli, and the Quintette of the Hot Club of France. Play along with a great Gypsy Swing Rhythm Section and learn chords, comping, and melodies, then let the band back you up as you practice chords and soloing. You play all the leads while the band backs you up. Beginners can practice basic skills while more advanced players can hone their improvisation chops, each at their own individual learning pace. Includes standard notation, tablature, chord diagrams, lyrics, playing tips, and more. Each song is presented on the CD at slow and regular speed. First you ll hear the melody played on mandolin at a slow speed with just guitar backup, then it s repeated at regular speed with the band. Split track mixing on the recording allows the student to hear just the melody (while reading along in the book) or just the rhythm section, or both for maximum flexibility and specific study. Finally the band plays several choruses and you play all the leads. Songs may be repeated, at slow or regular speed, as many times as you wish in order to perfect phrases, melodies and solos in a band context. Includes special section on how to play rhythm back up chords and get that swing pulse on mandolin. Potential for improvement is unlimited. Guitar version also available. We ll jam all night long!.
