CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 332 pages. Dimensions: 10.0in. x 7.0in. x 0.8in. His Masterpiece By Emile Zola Loeuvre is the fourteenth novel in the Rougon-Macquart series by Emile Zola. It was first serialized in the periodical Gil Blas beginning in December 1885 before being published in novel form by Charpentier in 1886. The title, translated literally as The Work (as in work of art), is often rendered in English as The Masterpiece or His Masterpiece. It refers to the struggles of the protagonist Claude Lantier to paint a great work reflecting his talent and genius. Loeuvre is a fictional account of Zolas friendship with Paul Czanne and a fairly accurate portrayal of the Parisian art world in the mid 19th century. Zola and Czanne grew up together in Aix-en-Provence, the model for Zolas Plassans, where Claude Lantier is born and receives his education. Like Czanne, Claude Lantier is a revolutionary artist whose work is misunderstood by an art-going public hidebound by traditional subjects, techniques and representations. Many of the characteristics ascribed to Claude Lantier are a compound taken from the lives of several impressionist painters including Claude Monet, Edouard Manet, as well as Paul Cezanne. Zolas self-portrait can be seen in the character of the novelist Pierre Sandoz. The book is often blamed for ending the friendship between Cezanne and Zola. The story of a groundbreaking artist unable to live up to his potential must have seemed intensely personal to Cezanne; no correspondence exists between the two after a letter in which Cezanne thanks Zola for sending him the novel. The novel covers about 15 years, ending in 1870. Besides depicting the bohemian art world of 19th-century Paris, Loeuvre explores the rise of Realism, Naturalism and Impressionism in painting. Zola also looks...
