Heck, even the decision that you might want a friend can be difficult to come to. No matter the reason that you've decided friendship would be a nice addition to your introvert repertoire. Finding a friend can be scary and overwhelming. You might even shy away from the idea of having a friend as an introvert. Don't worry there is NOTHING wrong with you. I wrote this book specifically for introverts like you and me. Inside this book you'll discover: Don't be too quick to label yourself as an introvert. Introversion is more than ok, but there's a chance that you've labeled yourself inaccurately. Introversion is great. Don't change for anyone! Basics of making friends. It's really not as difficult as it sounds. Specifics of making friends in different social situations. This one was big for me. I somehow managed to marry an amazing extrovert. Chapter 5 is a collection of tips that help keep my marriage healthy. WARNING: this is not a long drawn out book with tons of strategy, facts, and boring dialogue. This book is straight to the point. featuring only the best introversion friend making tips and tricks that have worked for me and countless others across the globe. Things You'll Learn Even if You're Not an Introvert Not an introvert? Don't worry. Although this book is geared toward introverts, there's tons of stuff inside for non-introverts. Obviously there will be some things that won't directly apply if you're not an introvert, but the parts...
