Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Carol: Rata, Rata, Rata Description I am somebody. I m not a baby or someone who s insane. I m somebody. I know the difference between right and wrong, and found a lot wrong, so I fixed it. Maybe not the way someone else would, but I fixed it my way. Carol speaks a language Rose doesn t understand. Not a foreign language but a language other dementia patients speak. Carol gets combative when she and her friends are abused or mistreated. She tries to make the world a better place for those who are diagnosed with Alzheimer s and dementia. But in the process she uncovers Medicaid fraud. This is a work of fiction Rose has had in her mind many years. Only after reading news articles did Rose think it necessary to write this.
