## THE NATURE OF URBAN DESIGN: A NEW YORK PERSPECTIVE ON RESILIENCE (PAPERBACK)

Island Press, United States, 2015. Paperback. Condition: New. Reprint. Language: English . Brand New Book. The global shift to an urban population comes with an uncomfortable corollary; People who live in cities as they are currently designed produce more greenhouse gasses than their non-urban counterparts, as a global average about three times more. But people in cities, particularly in coastal cities, are waking up to their vulnerability as well as to their responsibility. This newly acknowledged responsibility is reflected in...
