

The Earth Is Weeping: The Epic Story of the Indian Wars for the American West (Paperback)

Filesize: 6.97 MB

Reviews

This ebook is definitely not straightforward to start on looking at but really enjoyable to learn. It usually will not charge excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Karianne Deckow)

THE EARTH IS WEEPING: THE EPIC STORY OF THE INDIAN WARS FOR THE AMERICAN WEST (PAPERBACK)

VINTAGE, 2017. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Winner of the Gilder Lehrman Prize for Military History Winner of the 2017 Caroline Bancroft History Prize Shortlisted for the Military History Magazine Book of the Year Award After the Civil War the Indian Wars would last more than three decades, permanently altering the physical and political landscape of America. Peter Cozzens gives us both sides in comprehensive and singularly intimate detail. He illuminates the intertribal strife over whether to fight or make peace; explores the dreary, squalid lives of frontier soldiers and the imperatives of the Indian warrior culture; and describes the ethical quandaries faced by generals who often sympathized with their native enemies. In dramatically relating bloody and tragic events as varied as Wounded Knee, the Nez Perce War, the Sierra Madre campaign, and the Battle of the Little Bighorn, we encounter a pageant of fascinating characters, including Custer, Sherman, Grant, and a host of officers, soldiers, and Indian agents, as well as great native leaders such as Crazy Horse, Sitting Bull, Geronimo, and Red Cloud and the warriors they led. The Earth Is Weeping is a sweeping, definitive history of the battles and negotiations that destroyed the Indian way of life even as they paved the way for the emergence of the United States we know today. A Smithsonian Top History Book of 2016 A Times (UK) Book of the Year Finalist for the Western Writers of America 2017 Spur Award in Best Western Historical Nonfiction.
