Brand New Book ***** Print on Demand *****.And So It Begins. opens windows and doors to new insights and understanding that you may not have realised existed. Like an oracle/truth mirror/real time lifeguide, it will quickly highlight your soul purpose and life agenda. You'll know exactly who you are, what you're part of, what's going on with others and life around you. What you're able to achieve and contribute, where and why things get stuck as well as ways you can effortlessly change this. You'll view differently past and present; your karma, talents, gifts and strengths, how others push your buttons and why you react - to stop what you no longer need - repeating. From teenage to elderly this book is already helping thousands to reassess what they've known, to rekindle dreams and goals, to turn life around and get happy. It highlights the negatives to give you more choice and spins things around for the better. Read it as a book or dip into its pages (perfect for busy lifestyles), you'll actually feel yourself interacting with higher levels, with Source, with your own Spirit Guardian/Angel/Guide as if in direct conversation with a friend on a soul to soul level. Empowered and completely in tune with where you are - you'll breeze through all aspects of life/love/work/family/home and move forward with ease, clearing clutter and blockages accumulated through generations and the years that you've personally been here. Become healthier and happier with renewed energy and confidence, positivity, focus and life zest. Helping you also to help others you'll become a light worker for what you give out will always come back. In this manner you'll help life heal itself. STEPHANIE J. KING, also author of Life Is Calling, is internationally known...
