Balboa Press, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Ever wonder what it would be like to be a kid again? Wonder no more. When I heard my first story in the book entitled Jono s World - The Farting Gorilla - the title was enough to attract me to want to sit and listen to a story about a Farting Gorilla. It gave me that long ago feeling that I was a kid again in Storybook Land, leaving adulthood behind. And at the end of these stories each one embodying an AHA moment, an invaluable teaching tool, and a moral at the end of every story. Something in each of these stories even adults can benefit from. It made me realize that we all have a bit of child in us, and with a little practice, we can create wonderful tools for our children, bond with them and teach them all at the same time. This is a spectacular creation by Dr. Steven Jarecki. It is more than a one of a kind adventure; IT IS AN EXPERIENCE! -Miri Ingwer, Doctor of Physical Therapy Be ready to form a lifetime connection with your child as you share in the adventures of these unforgettable characters and their moralistic experiences! From Dr. Schmutz to the Frog and the Light Bulb, this is the perfect bedtime, or anytime, storybook to excite the imagination . encourage discussion . share some belly laughs . and discover together surprises that delight-all while teaching positive coping and communication skills. But be careful . Soon you will learn the art of storytelling using any two objects your child selects. Then you will create your own journey to the bottom of the sea where Jono and the Talking Monkey make sense...
