Brand New Book ***** Print on Demand *****.Excerpt from Graded City Speller: Seventh Year Grade; Compiled From Lists Furnished by Principals and Teachers in the Schools of Six Cities The plan of this series of graded city spelling-books is to present useful words in lessons of literary value and interest. The words selected for the text for this grade have been compiled from the lists of principals and teachers, as in the case of all the earlier books. Most of the quotations also have been approved in actual class-room experience in language teaching. The large use which had already been accorded to the earlier books, though published but a half year ago, shows that the cooperative plan has enabled the editor to reach the actual needs of the schoolroom. As far as practicable, each word is presented, first, in a sentence or paragraph, usually quoted in the language of an author of high standing; then, it is syllabicated for the analysis of the literal elements; and, lastly, it is repeated several times in reviews. By this method each word is first developed in association with a context that is in itself worth reading, and is then stamped upon the visual memory by a sufficient number of repetitions to insure with ordinary pupils its quick and accurate recollection. Whether the drill be solely oral or both oral and written is a matter to be determined by the authorities of the schools where the series may be used.
