Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Tremolino It was for the Mediterranean sailors that fair-haired sirens sang among the black rocks seething in white foam, and mysterious voices spoke in the darkness above the moving wave - voices menacing, seductive, or prophetic, like that voice heard at the beginning of the Christian era by the master of an African vessel in the Gulf of Syrta, whose calm nights are full of strange murmurs and fitting shadows. It called him by name, bidding him go and tell all men that the great god Pan was dead. But the great legend of the Mediterranean, the legend of traditional song and grave history, lives, fascinating and immortal, in our minds.
