Wingspread Publisher, United States, 2010. Paperback. Book Condition: New. New.. 203 x 132 mm. Language: English . Brand New Book. The difference is humility. In this compilation of 39 editorials from A.W. Tozer, readers will enjoy eloquent distillations of the Reformation faith. Knowing God deeply and intimately brings purpose and meaning to life and should be the Christian's highest goal, and these essays will help that endeavor. To the child of God, there is no such thing as accident. We travel an appointed way, says Tozer. The paths we tread were chosen for us when as yet we were not, when as yet we only existed in God's mind. Our way is ordered by the secret script of God's hidden providence, and true faith displaces any possibility for chance or misfortune. Tozer tells us that we are full of life filled with providences and plans laid out from above. He urges us not to think we are simply God's pawns, for that is the attitude of the unbeliever, whereas the true follower of Christ will know that he is one of God's beloved! The difference is humility.
