Excerpt from The Wellesley Magazine, Vol. 6: October, 1897 Another department of collegiate instruction which has been not only developed, but in many instances introduced within a short time, is that of Bible Study. Chicago University, with its strong interest in this line of work and its long list of courses under eminent instructors, has doubtless had an influence in awakening this interest. Probably, too, the realization that ignorance of the English Bible was increasing and threatening the very foundations of sound learning, is largely responsible for the introduction or development of this department of instruction.
