CAVE OF THE YELLOW VOLKSWAGEN (PAPERBACK)

Carnegie-Mellon University Press, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book. Cave of the Yellow Volkswagen journeys from womb to fluorescence, dust mite to gargoyle, lakey depths to Florida sunshine, a dodgy trip made safer because the Beetle was reported to float if it careened off a bridge. The poems are a testimony--windows up, radio rowdy--to astonishing escapes and (non)leaky endings.
