MCCLELLAND STEWART, Canada, 2013. Paperback. Condition: New. Language: English . Brand New Book. This stunning new book of poems from internationally renowned poet Lorna Goodison opens in Spain and Portugal, conjuring up a new history of the Caribbean and a new way of setting up its heritage. The title sets the tone for poems about backgrounds and outlines and shadows and sources of light. This extraordinary book -- a wide lotus on the dark waters of song -- is filled with surprises at every turn, as a Moorish mosque becomes a cathedral in Seville, a country girl dresses in Sunday clothes to visit a Jamaican bookmobile, and a bear appears suddenly, only to slip away silently into the trees on a road in British Columbia. The heartache of Billy Holliday singing the blues, the burden of Charlie Chaplin tramping the banana walks of Jamaica s Golden Cloud, and the paintings of El Greco, the quintessential stranger, come together on the poet s pilgrimage to Heartease, guided by a limping angel and inspired by the passage-making of Dante; the book ends with a superb version of the first of his cantos, translated into the poet s Jamaican language and landscape with the gift of love.
