The current approach is to encourage kids to read for pleasure . However, Martin Burley (Literacy Coordinator and Highly Commended English teacher in Shine Media Awards Most Inspirational Teacher 2014), believes we are missing a step. Children that struggle to read, won't enjoy picking up a book straight away; they have to understand the benefits of reading first. That's why a child must first learn to Read to Succeed . This book gives parents a six week guide enabling their children to become proficient readers. It accepts that reading may not be fun for some, but it breaks down the key skills, required in all avenues of life, that regular reading helps with. This forms the mnemonic SUCCEED Scheme, Understand, Communicate, Create, Empathise, Enquire Discover . Can your child Read to Succeed ?.
