Just when Derrick Grimm (aka the horseman Death if you re new here. Dante, the crass angry angel, has taken it upon himself to invade Tartarus with one goal: kill Abaddon once and for all. Knowing he ll need an army, he s recruited all four horsemen (unwillingly), Veronica, and Azrael. But before the mission can even begin, Michael shows up and gives Derrick another task - infiltrate Hell and retrieve the Morningstar Blade, a weapon personally blessed by the Almighty with the power to slay the Arch-Fiend. There s just one issue with that, it s Lucifer s personal blade. With all these impossible missions being tossed around, Derrick and company are going to need some miracles. Come along on our third adventure! New faces join the crowd and some old friends turn up in the most trying of times. Time isn t on our side to prevent the Abaddon Rising!.
