THE DIRTY LIFE: A MEMOIR OF FARMING, FOOD, AND LOVE

Scribner Book Company, United States, 2011. Paperback. Book Condition: New. Reprint. 201 x 135 mm. Language: English . Brand New Book. This book is the story of the two love affairs that interrupted the trajectory of my life: one with farming--that dirty, concupiscent art--and the other with a complicated and exasperating farmer. Single, thirtysomething, working as a writer in New York City, Kristin Kimball was living life as an adventure. But she was beginning to feel a sense of longing for a family and for home. When she interviewed a dynamic young farmer, her world changed. Kristin knew nothing about growing vegetables, let alone raising pigs and cattle and driving horses. But on an impulse, smitten, if not yet in love, she shed her city self and moved to five hundred acres near Lake Champlain to start a new farm with him. The Dirty Life is the captivating chronicle of their first year on Essex Farm, from the cold North Country winter through the following harvest season--complete with their wedding in the loft of the barn. Kimball and her husband had a plan: to grow everything needed to feed a community. It was an ambitious idea, a bit romantic, and it worked. Every Friday evening, all year round, a hundred people travel to Essex Farm to pick up their weekly share of the whole diet --beef, pork, chicken, milk, eggs, maple syrup, grains, flours, dried beans, herbs, fruits, and forty different vegetables--produced by the farm. The work is done by draft horses instead of tractors, and the fertility comes from compost. Kimball's vivid descriptions of landscape, food, cooking--and marriage--are irresistible. As much as you transform the land by farming, she writes, farming transforms you. In her old life, Kimball would stay out until four a.m., wear heels, and carry...
