Reviews

I actually started off looking over this publication. I have read through and so i am certain that i am going to likely to study again yet again later on. I am easily will get a delight of reading a written pdf.

(Ross Hermann)

HOW TO WRITE MEDU NETER (EGYPTIAN HIEROGLYPHS) (PAPERBACK)

Createspace, United States, 2008. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. How To Write Medu Neter (Egyptian Hieroglyphs) is my humble attempt at providing an Afracentric, as well as metaphysical, approach to deciphering and understanding the seemingly complex language introduced to the world by our Northeast Afrakan ancestors; the Ancient Egyptians. Periodic reference is made to Biblical and Qura anic sources in order to facilitate a deeper appreciation of this work by believers of those respective schools of thought. It is also my intention to highlight the holistic nature of the written language; i.e. its philosophy, psychology, mathematics, and logic. Enjoy! Shem-E-Em-Hetep (I go forth in peace and satisfaction).
