Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Nursery Rhyme Book There was Who Killed Cock Robin? which I knew by heart before I could read, and I learned to read (entirely without tears) by picking out the letters in the familiar words. I remember the Lark dressed as a clerk, but what a clerk might be I did not ask. Other children, who are little now, will read this book, and remember it well when they have forgotten a great deal of history and geography. We do not know what poets wrote the old Nursery Rhymes, but certainly some of them were written down, or even printed, three hundred years ago. Grandmothers have sung them to their grandchildren, and they again to theirs, for many centuries. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
